Counts

Motions made: 331. Counted date by date as the larger of the motion index and the minutes' own wording, within the dates shown in panel 1. This is a floor: unusual wording or a record the search missed would add to it.

Motions seconded: 254. Counted date by date as the larger of the motion index and the minutes' own wording, within the dates shown in panel 1. This is a floor: unusual wording or a record the search missed would add to it.

From the verified cards

No votes are a floor: they include old roll calls such as "Doug-No, Rick-No" and exclude conversation such as "Rick - No, it's not". Voice votes that name nobody can't be counted.

Panel 3 and 4 rule: the latest action in the records on that topic, chosen the same way for every candidate. The FY2027 budget vote is not in the database; full minutes stop at Mar. 24, 2026, and only reprints from later packets are held.

Panel 6: Postmark shows the questionnaire sent to rwood@richlands-va.gov on Oct. 20, 2026 with no bounce.

Dec. 13, 2022 is outside the Council dates: the roster that day omits this member, and the minutes invite the member in as newly elected.

Records after Mar. 24, 2026 are outside this sheet: full minutes stop there.
